

☀️ I met a flower today! ☀️

Graduate school of agriculture tamagawa  
university 1<sup>st</sup> grade of master's cours.

My favorite flower is  
'Chigogeshou'

I met a flower near the road.

Even though we face the  
difficulties of today and  
tomorrow, I found a flower. The  
flower was standing in a pod.  
The flower bloom only for about  
two days.

This is our hope.

This is the hope that we will go back to my whereabouts.

we will be able to hew out of the mountain of despair a stone of  
hope.

With this hope we will be able to work.

The small flower give us big hope in our hearts.
