

*Shushi no homare*

## **Tomo Matsui**

Graduate school of agriculture tamagawa university  
1<sup>st</sup> grade of master's course

**I like Shushi no homare best of all Hana-Shobu.**

**When I first saw this flower, I felt a certain nobility.**

**It doesn't look too decorative, but it's beautiful.**

**In particular, the dark inner perianth inside the light-colored outer perianth accentuates it.**

**Homare means honor and has the strength of this flower as it looks.**

**I want honor like this flower.**
