

The Hare and the Tortoise

“You are so slow,” the Hare says.

“No, I’m not,” the Tortoise says. “Run a race with me!”

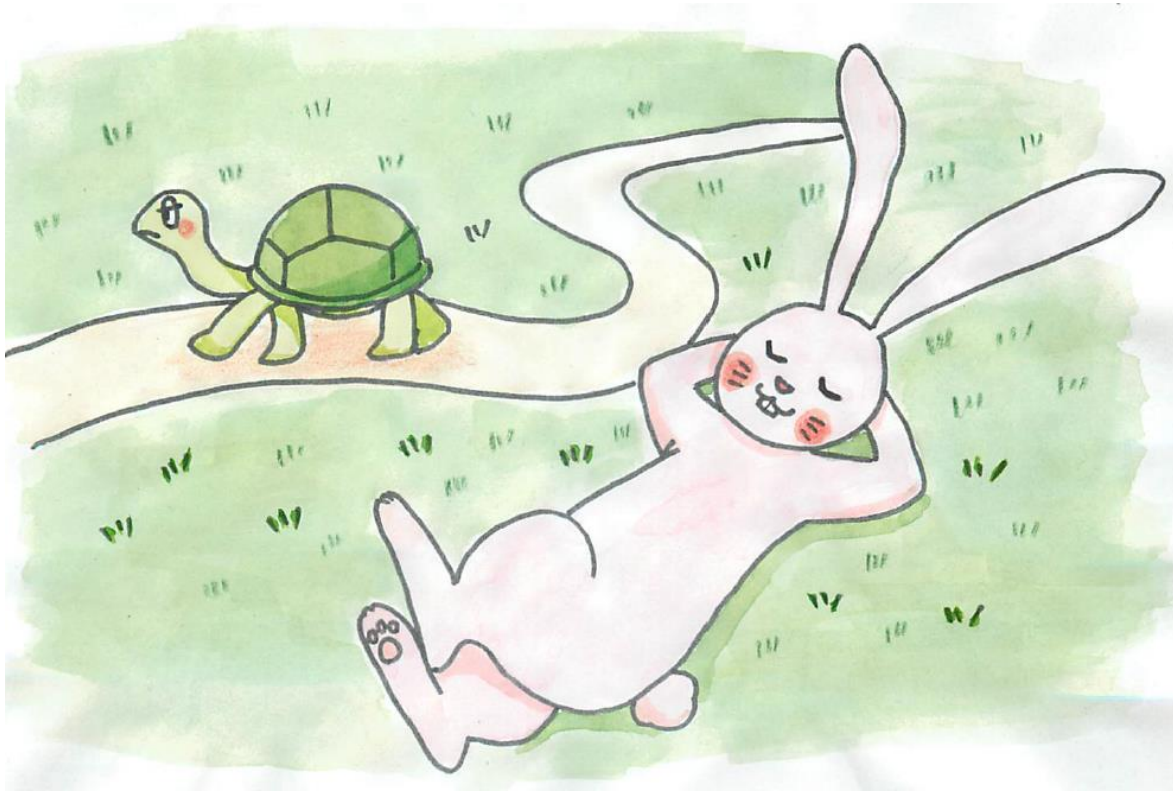

“OK,” The Hare laughs.

The Fox marks the finishing line.

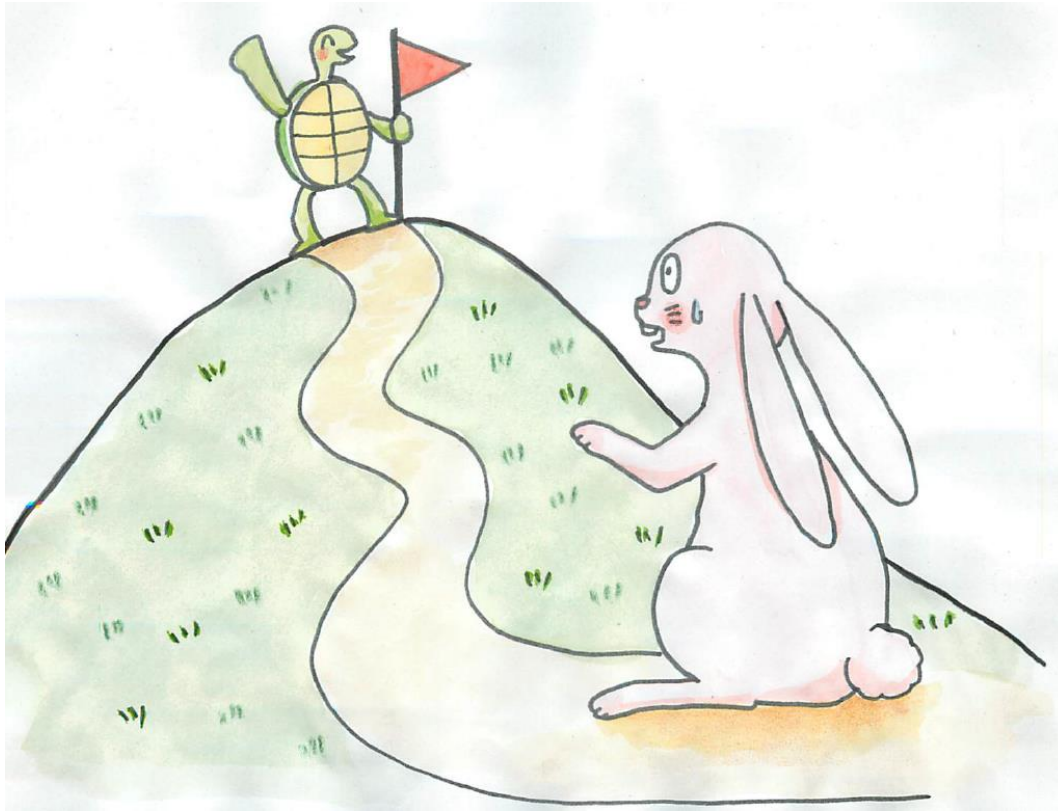

“On your mark! Get set! Go!” says The Fox.

The Hare runs fast and is soon far away.

“The Tortoise is so slow. I want a break,” says The Hare.

He waits for the Tortoise and finally takes a nap. The Tortoise walks slowly but passes the Hare.

The Hare wakes up, but the Tortoise is at the finishing line.
“Oh, no!” says The Hare.
